November 2011

Dear Parents/Carers

**Re: School Shoes**

Our school uniform policy clearly states that only plain black footwear below the ankle is acceptable. Some time ago we relaxed the uniform policy to allow plain black footwear including black trainers. However we are not prepared to relax the uniform policy any further.

We have:

- Spoken in assemblies about footwear
- Telephoned parents/carers
- Written messages in planners
- Mentioned the footwear in Head's Update 2 on 28<sup>th</sup> September 2011.

Your child is still not wearing plain black footwear. Unfortunately I have to inform you that we are determined to maintain high standards of uniform and that if your child does not come to school in correct footwear, we shall have no alternative but to send him/her home.

Please support us in ensuring that this situation is rectified.

Thank you in anticipation of your support.

Yours sincerely

Mrs P Campbell
