16th April 2018

Dear Parent/Carer,

Year 9 Consultation Evening Thursday 26th April 2018 (4.00pm – 7.00pm)

The Year 9 Consultation Evening is a key opportunity for Parents/Carers to check progress towards your child's KS3 target grades. It also provides a chance to discuss with subject teachers or pastoral staff how best to help your child to achieve their targets, or to raise any concerns that you may have

Please sign in with our senior students on arrival to indicate your attendance before you see any of the teachers. Maps to show where teachers can be found are also available at the sign in desk.

Your child should make appointments on your behalf, with their subject teachers. Each appointment will last approximately 5 minutes.

Method of making an appointment – Your child will take an appointment sheet to each of their subject teachers during lesson time. Each teacher will record an appointment time on the sheet by signing opposite the appropriate time. It is better to allow a gap of 5 minutes between appointments as, whilst every effort is made to keep to schedule, it is almost inevitable that there will be some delay.

Occasionally, a lengthier appointment may be considered necessary. This will be arranged for a mutually agreed time on another day, but the preliminary discussion would enable the member of staff to be aware of the nature of the problem.

I do hope that the evening will be beneficial to all concerned and I would be grateful if you could complete and return the reply slip below.

Yours sincerely,

Mr A. Conroy
