5<sup>th</sup> June 2018

Dear Parent / Carer,

**Year 9 Can-Do 18<sup>th</sup> - 20<sup>th</sup> July 2018**

The Year 9 Can-Do team are planning an exciting 3 days of activities for those students remaining in school during the Paris and Prague excursions. We have got two professional companies visiting Werneth, Wise Up and Comedy Sportz, to work with our students.

Activities that your child will be doing are:

- Outdoor team building
- Completing 32 fun energy-packed activities
- Puzzle solving on a large scale
- Competing against other teams
- Watching a professional stand-up comedy performance
- Learning improvised comedy stand up skills

Students will develop their planning, communication and team work skills as well as increasing confidence. These are valuable skills that they will transfer to their upcoming GCSE exams and are highly regarded by further education establishments and future employers.

In order for us to offer these opportunities, we are asking for a £20 contribution towards the cost and this will be available to pay via Parent Pay.

Any questions regarding Can-Do week please contact the school office or email myself [Janine.smith@wernethschool.com](mailto:Janine.smith@wernethschool.com)

Yours sincerely

*J. Smith*

Janine Smith  
Year 9 Can-Do Group Leader
